NSW RURAL FIRE SERVICE

## The AIDER Programme

The NSW Rural Fire Service AIDER Programme (*Assist Infirm Disabled and Elderly Residents*) is a one-off **free** service, supporting vulnerable residents to live more safely and confidently in their home on bush fire prone land.

AIDER services can be provided to vulnerable people who have limited domestic support available from family, relatives, friends or other services. This could include older people, people with disabling conditions and people who are already receiving community assistance and services.
