Enquiries/registration Floral Art

Judy Keast 0429 461 927 (E) judykeast2576@gmail.com

CONDITIONS OF ENTRY - Please read carefully

1. Entries are welcome from all members of the Society and the public.
2. Containers will be provided for all entries except classes 26, 27, 28, 32, 34, 35 and Section K (Floral Art).
3. Camellia size rings for miniatures/small (70/80mm) will be available in the set-up area.
4. Exhibitors are urged to stage their own exhibits in accordance with the Steward's directions. Correct naming of Camellias is desirable, but not essential. Help will be available.
5. Exhibitors must not touch any exhibits other than their own.

6. All exhibits, except Floral Art classes, must be accompanied by a plain white business card showing the exhibitor's name on one side and the camellia name (if possible) and the Class and Section Number on the other. Cards must be displayed with the name of the exhibitor **face down**.
7. Any bloom may be secured inconspicuously to the original foliage by pin or wire.
8. All entries except in Section K (Floral Art) must come from plants which have been grown by the Exhibitor for **at least three months**.
9. Camellias will be judged in accordance with the standards of the NSW Camellia Research Society.
10. All Floral Art Exhibits and Spring Flowers (Sections I J and K) will be judged by the Rules and Standards of The Royal Horticultural Society of NSW.

AWARDS

1. Engraved trophies, ribbons and certificates will be awarded as follows:
 - PRESIDENT'S PERPETUAL TROPHY for the MOST SUCCESSFUL EXHIBITOR FOR CLASSES 1 to 23.
 - CATH AND JOHN PADDISON TROPHY for the CHAMPION CAMELLIA.
 - EFFIE KERR TROPHY for FLORAL ART.
 - SPRING FLOWER / POT PLANT FOR CLASSES 28 to 39
2. Subject to the quality of entries, certificates will be awarded to the winner of each Class.
3. Certificates may also be awarded for the second and third entries in each Class. This will depend upon the number and quality of entries.
4. The MOST SUCCESSFUL EXHIBITOR will have gained the most points as follows in Classes 1-27:
 - Each class winner: 5
 - Each Second Place Certificate: 3
 - Each Third Place Certificate: 2
 - The Champion Camellia: 5 further additional points.
5. **The judges' decisions are final.**

Hints for Flower Show Exhibitors

- **READ THE SCHEDULE.** Do not assume the schedule or classes are the same as for previous shows. Schedules are reviewed prior to each show. Any amendment to a class will impact the way an exhibit is to be presented.
- Exhibitors **must prepare their own exhibits** for tabling taking into account any specific requirements mentioned in the schedule – e.g. exhibitor to provide own container or a specific type of container such as a vase or bowl – **note** a vase is taller than it is wide and a bowl is wider than it is high.
- Ensure your exhibit complies with the schedule.
- Consider the classes and plant material you wish to enter in advance of the show date – do not wait until the day before or the morning of the show. If required to provide your own container for an exhibit consider what you are going to use.
- Determine when to pick your plant material – late afternoon or early morning – carry a container of water with you and immerse the stems immediately. Do not pick in the heat of the day.
- If stems need to be recut do this under water cutting the stem on an angle providing a larger surface for water to be taken up.
- Exhibits should be good quality flowers and/or foliage without disease or blemishes.
- With the exception of floral art, or any class specifically mentioned in the schedule (*including floral art*), all competition exhibits must be grown by the exhibitor for at least three months prior to the show.
- Any work created or practiced at a workshop prior to exhibition is ineligible for entry.
- **Float Bowls** -- flowers should float unaided and cover 2/3 of the water surface allowing room for movement. It is preferable to use the same cultivar.
- If the schedule specifies a specific **number of stems** ensure that number of stems is clearly visible at the rim of the container.
- Where specified - Not Necessarily Distinct (**NND**) means exhibits may be the same or different cultivars. Distinct (**D**) means different cultivars or varieties.
- If exhibiting **Floral Art** read the specific conditions relevant to those classes.
